# Tonki Kids

Tonki kids is a magical world designed for mini-dreamers.

Unique games made of cardboard to get children used to using it and loving it from an early age. Fun is recyclable, eco-friendly, light, economical and super fun!

### Pinball

Ask your parents how long they spent in front of a pinball machine. Now tell them that you found one completely made of cardboard. Launch the challenge between new and old generation.

### Catapult

Have fun centering the slices of cheese with the colored balls! 3 baskets in the shape of cheese and 4 in the shape of a mouse. A whole family challenge for young and old!

# For children who build the world.

### Alphabet

Can you write your name? A game to learn the alphabet while having fun and to stimulate the imagination. You will be top of the class !!

# Popme

We are POPme, the POP movement that  
has united hearts around the world under  
a single brand.  
Safety, style and personality  
in fantasy format.

# don't worry, be POPme!

**Colorful masks for children and adult**  
Express your personality every day with colored masks. Black slim down, yellow cheers up, pink ... on Wednesdays!

**Fabric band-aid**  
Didn't you see that edge? Luckily it is impossible to go unnoticed with POPme band aids. A special breathable perfect for young and old. Fashion guaranteed.

**Reading glasses and Sunglasses**  
Join the POP revolution with the most colorful glasses ever! Different shades and different shapes, one purpose only: frame your eyes with style.

# Candys Shock

Blank walls are like a canvas waiting to be decorated: with Candy Shock lights you can make the most out of your empty wall space. Make your favorite neon centerpiece or create beautiful compositions with paintings, photos and objects to make your room unique, bright and colorful!

# positive vibes

**Small**

Don't stop surprising yourself with the little things. These small signs are the detail that changes the perspective.

**Medium**

80 cm of pure LED light that transform the personality of any room. Are you ready to look at your spaces with new eyes?

**Large**

Big signs for big occasions. London or New York City, what lights up your day today?

# Mojipower

Why buy common hi-tech items, such as power banks, USB flash drives or portable speakers, when you can choose them with a fun and original design? Accessories with advanced technology, declined in the most diverse, funny and colorful shapes and inspired by the current trends and also by the great classics.

Mojipower

# always connected to the world

**Power banks**

2600mAh and 4500mAh power banks compatible with all rechargeable devices.

**Hand sanitizer bottles**

Your favorite sanitizer, always at hand, in a convenient 30ml reusable bottle.

**AirPods Cases**

These cases deliver the best protection against dust, scratches and shock.

# Qushini

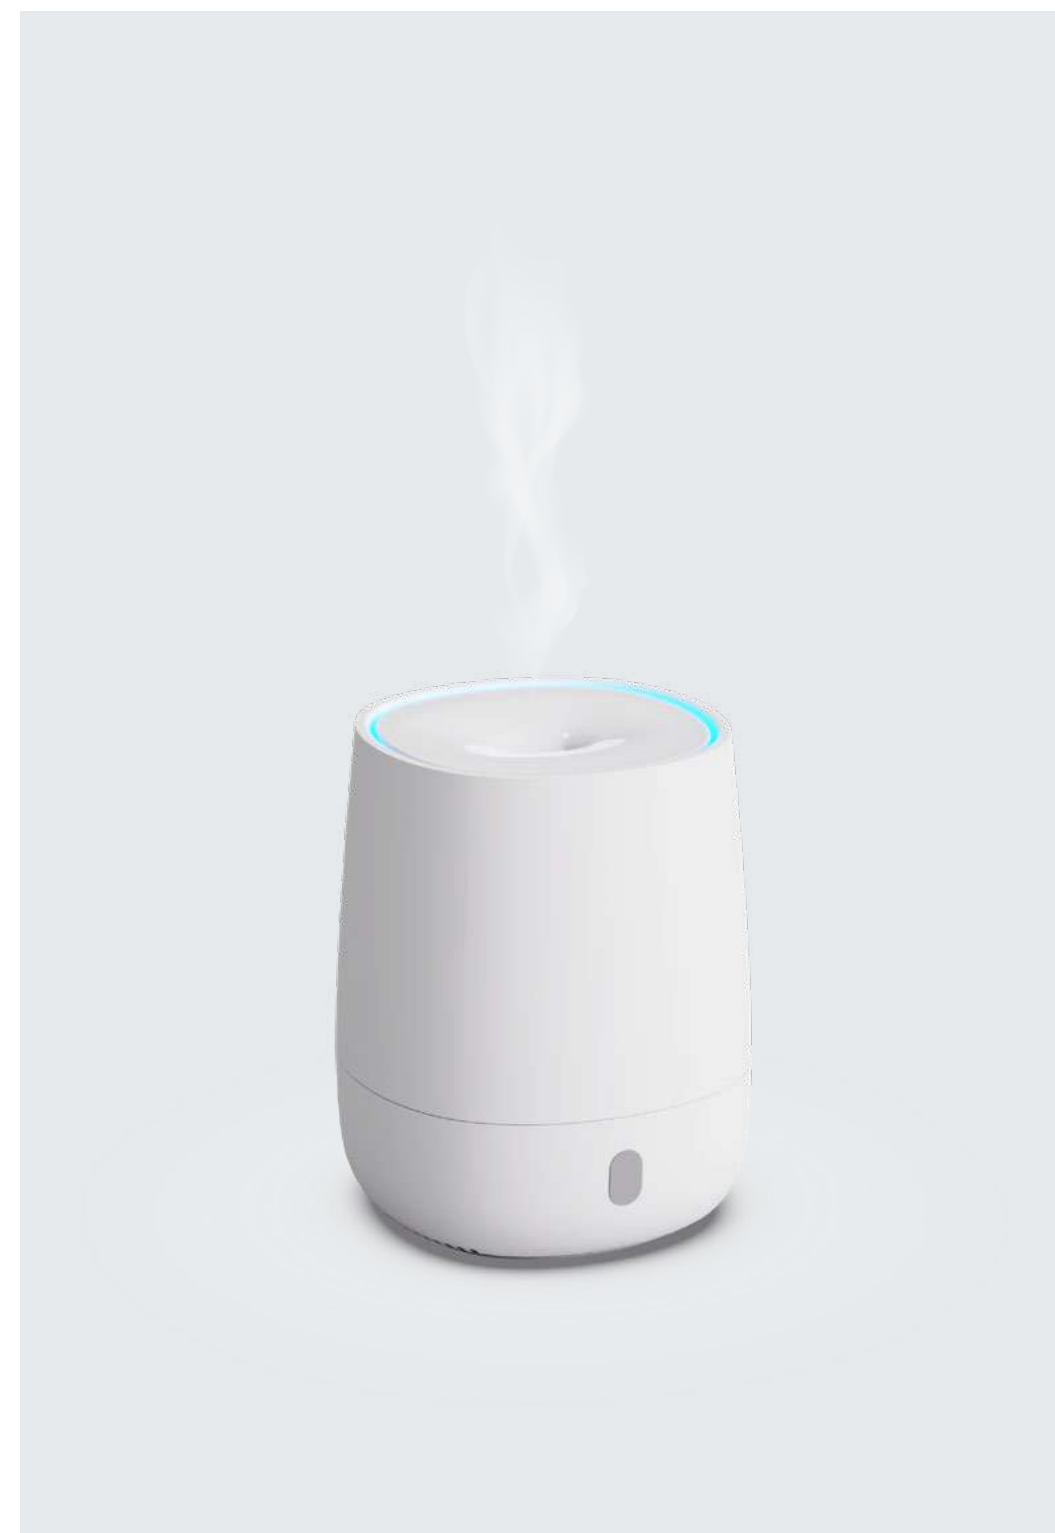

Pastel colors and simple lines characterize these cute functional and stylish accessories by Qushini. Small soft touch Bluetooth speakers with a clear and powerful sound, fun power banks with delicate lines, hand warming batteries, cool fans and many other objects with an irresistible design.

**Table lamp**

Adjust the temperature and light intensity to suit your needs and take them with you to an aperitif by the pool: they are splash-proof!

**Aroma diffuser**

Pour water and add some drops of your favorite essence: you're ready to customize any room. A small aroma diffuser, a great space revolution.

# life made simply beautiful

**Makeup mirror**

The smart touch to your beauty routine! Find the right light every time with the customizable intensity adjustment.

# Anna Paghera

The simple and coherent charm of an eco-green-chic vision  
and an olfactory vocabulary formed in a great inspirational school: Nature.  
An experience that translates into collections of exclusive perfumes,  
born from recipes and timeless magic, in a mix of irony and harmony.

# an eco-green-chic vision

## Green fragrances

Anna Paghera was born into a family green fingered by definition. Five generations devoted to nature, a surname which, in the ancient local language means fir wood. A heritage of green genes and an innate vocation for beauty, harmony and architectural rigour, form the roots and habitat of a style that mixes nature and aesthetic sensitivity, modernity and classicism.

An eco-green-chic vision applied to different yet complementary fields: Green design – Interior design – Fragrances collections.
